“A Community Conversation”

Town Hall Meeting

Wednesday, September 27th
Bath-Haverling Central School
25 Ellas Avenue, Bath, NY 14810
(LGI Conference Room)
6:00PM — 7:30PM

You will hear from Kamy Wakim, RA - University of Rochester Neuroscience Program, relative to the effects of alcohol on the young developing brain.

This is EVERYONE'S Community

Please join community leaders, community members, educators, service providers and law enforcement – ready to discuss the issue in our community and the resources available to combat underage drinking.
